Mental/Behavioral Wellness Clinician

About Us

The West Contra Costa Public Education Fund (Ed Fund) mobilizes resources for our students and aligns the efforts of our partners to ensure that all students succeed in college, career, and life. Therefore, our work is to connect public schools with tools, funds, and people power. Learn more about our work at www.edfundwest.org.

The Ed Fund seeks to hire (3) Mental Health Clinicians to support the district's Full Service Community School and Positive School Climate Initiatives. These positions will be employed through the Ed Fund but will report directly to the Director of School Climate for WCCUSD.

Primary Functions

The Mental/Behavioral Wellness Clinician is responsible for providing trauma-informed and healing-centered counseling services to students, supporting their mental health, and building systems to enhance overall well-being at assigned schools. This role involves carrying a caseload, conducting monthly training and support for small working groups, fostering connections with community-based organizations, and providing crisis support.

Major Duties and Responsibilities

Trauma-Informed Counseling:

- Provide direct clinical services to students, addressing mental and behavioral support needs.
- Carry a caseload and implement therapeutic strategies, interventions, and outreach.

Training and Support:

- Conduct monthly training sessions on restorative and healing-centered approaches for small working groups.
- Train and support staff on best practices to promote student mental health and behavior.

System Building:

- Develop and implement systems to support mental health at assigned schools.
- Participate in the planning/implementation of academic/support teams for effective delivery and monitoring of student support services.

Community Connections:

- Foster connections with community-based organizations to enhance mental health support.
- Collaborate with external stakeholders to ensure a continuum of care for students.
