

WEST CONTRA COSTA PUBLIC EDUCATION FUND

2021-2022 Bradley Arts Grant Awardees

Since the inception of the West Contra Costa Public Education Fund in 1983, providing resources to our teachers and students in the classroom has remained a central focus of our organization. That is why we are pleased to announce that the Ed Fund will be awarding nearly \$26,000 this year in Arts grants from our Brad Bradley Bequest and support from our donors for 40 classroom and school-wide projects across our district. Grants range from \$500 to \$1,000.

These projects empower teachers and students with programming that centers their voice and utilizes the Arts as a tool to disrupt the historical inequalities within our public education system. A list of awardees is as follows:
