Essay Questions: Need, Description and Budget
For application scoring purposes, please refrain from using the name of the school to be served in the following essay questions.

State the Need:
Describe the need that this grant will address and what you hope to accomplish with purchased materials. Please be concise. (250 word maximum)

Detailed Description:
Describe how students will use these materials. Be sure to include examples of envisioned student activities. (250 word maximum)

Budget Information:
Provide a simple budget or budget narrative describing how grant funds will be used. (150 word maximum)

Impact Points
In order to reverse the historic and ongoing societal failure of schools to help Black families and students achieve their full potential, the Ed Fund is centering the most marginalized students so that all students will thrive.

Describe if/how the grant will support the needs of Black students: (350 word maximum)
